

# FACIAL WAXING BASICS

## workshop overview

- > This workshop is designed to suit people currently in the Hair or Beauty industry that want to introduce facial waxing to their salon
- > Explore how to upsell facial waxing to your current clients or how to introduce this new service to attract new business
- > Learn how to make money while your clients wait for hair to develop or nails to dry
- > Work safely and hygienically with hard wax
- > This Class will equip with the knowledge and skills to provide a wax treatment in the following facial areas:
  - Basic Eyebrow tidy (THIS IS NOT EYEBROW SCULPTING)
  - Eyebrow tint
  - Upper Lip wax
  - Sides of the face
  - Chin wax
- > The workshop will cover as many areas as your capability allows for the time period given.

**\$149**

## workshop breakdown

30 mins > Intro to the full Caronlab range. Learn how to work with hard wax.

2.5 Hours > Hands on waxing and brow tinting with your model/s.

## workshop requirements

You will be required to bring the following items to your workshop -

- > 2 models with facial hair that are willing to be waxed on the areas listed above (if you are bringing co-workers, you can work on each other).
- > A very good pair of Tweezers (ensure they have good grip).
- > Minimum of 4 people per class.
